

## SECTION II – ANNEX A: INSTRUCTIONS FOR PREPARING TECHNICAL BID

The Technical Bid should be concisely presented and structured in the following order to include, but not necessarily be limited to, the following information:

1. Brief description of the firm and the firm's qualifications: providing information that will facilitate our evaluation of your firm/institution's substantive reliability, such as catalogues of the firm, and financial and managerial capacity to provide the services.
2. Your firms' understanding of the requirements for services and the objective of this project, including assumptions: Include any assumptions as well as comments on the data, support services and facilities to be provided as indicated in the TOR or as you may otherwise believe to be necessary.
3. Proposed Approach, Methodology, Timing and Outputs: any comments or suggestions on the TOR, as well as your detailed description of the manner in which your firm/institution would respond to the TOR. You should include the number of person hours/days in each specialization that you consider necessary to carry out all work required.
4. Proposed Team Structure: The composition of the team that you would propose to provide to the assignment, and the work tasks (including supervisory) which would be assigned to each. An organogram/organization chart illustrating the reporting lines, together with a description of such organization of the team structure should support your Bid.
5. Proposed Project Team Members: attach the curriculum vitae of the senior professional member of the team and members of the proposed team.
6. Detailed description of your proposed deliverables.
7. Detailed project plan (Gantt chart) showing the required resources and support from your firm as well as from UNFPA.
8. Detailed description of the technical specifications of your Bid.
9. A list of tasks which are out-of-scope versus in-scope.
10. Why you would be qualified for this project (Similar reference deliverables, ideally with live examples).
11. UNFPA requests Bidders to submit information on environmental and social policies and any related documentation in their Bid.
12. Copies of current certificates such as GMP/quality, FSC/PPP, manufacturer's ISO certificate for any product, manufacturer's CE certificate, USA 510k, Japan QS standard, etc. as and if applicable
13. All standard forms as explained under clause Section I: Instructions to Bidders, clause 17

Bidder(s) should not include any information or indications related to their Financial Bid in their Technical Bid. Such action will definitely lead to disqualification of entire Bid.
